

# XII ITALIAN STATA USERS GROUP MEETING

Florence, 12-13 November 2015

## CALL FOR PAPERS

incontrare  
interagire  
aggiornarsi  
scambiare  
conoscere

TStat is pleased to announce this year's Italian Stata Users Group meeting will be held in Florence on the 12th and 13th November 2015. The meeting offers users working in different research areas, a unique opportunity to exchange ideas, experiences and information on user written routines and applications developed in Stata. Stata users interested in contributing to the meeting are encouraged to submit their proposals to the scientific committee. As in previous years, the emphasis will be on:

- the development of new user written commands or procedures currently unavailable in Stata.
- the use of Stata in previously unpublished empirical research. Research adopting commands/methodologies new to Stata 13, are particularly welcome.
- other applications of Stata of general interest, such as data management or teaching with Stata, are also encouraged.

On the second day of the meeting, participants can elect to attend the following training course: Social Network Analysis in Stata, which will be taught in English.
